

BEFORE THE ZONING HEARING BOARD

TOWNSHIP OF EAST LAMPETER

IN RE: :
: No. 2014-02
APPLICATION OF JOHN SCHREIBEIS AND :
PATRICIA SCHREIBEIS :

DECISION

I. FINDINGS OF FACT

1. Applicants are John Schreibeis and Patricia Schreibeis, 696 Willow Road, Lancaster, Pennsylvania 17601 ("Applicants").

2. The property which is the subject of the instant application is located at 696 Willow Road, East Lampeter Township, Lancaster County, Pennsylvania (the "Property").

3. Applicants are the owners of the Property.

4. The Property is located in the Residential District R-1 as shown on the Official Zoning Map of East Lampeter Township.

5. Notice of the hearing on the within application was duly advertised and posted in accordance with the provisions of the Pennsylvania Municipalities Planning Code ("MPC") and The Revised

Zoning Ordinance of East Lampeter Township - 1990 (the "Zoning Ordinance").

6. A public hearing was held before the Zoning Hearing Board of East Lampeter Township ("Board") on this application on January 9, 2014.

7. Testimony at the hearing was stenographically recorded.

8. Applicants appeared personally at the hearing.

9. The Property is an irregularly-shaped corner lot.

10. The Property is improved with a single family dwelling, as more fully shown on the plan ("Plan") submitted by Applicants at the hearing.

11. Applicants propose to construct an addition which will be attached to the rear of the existing dwelling, as more fully shown on the Plan.

12. The addition will be located approximately 27 feet from the rear property line, as more fully shown on the Plan.

13. Section 804.7 of the Zoning Ordinance provides that the minimum rear yard setback shall be 50 feet.

14. Applicants require a variance from the terms of Section 804.7 of the Zoning Ordinance.

15. No one appeared at the hearing in opposition to the application.

II. CONCLUSIONS OF LAW

1. An applicant for a variance bears the burden of proving that unnecessary hardship will result if the variance is not granted and that the grant of the proposed variance will not be contrary to the public interest. Valley View Civic Association v. Zoning Board of Adjustment, 501 Pa. 550, 462 A.2d 637 (1983); Zaruta v. Zoning Hearing Board of the City of Wilkes-Barre, 117 Pa. Commonwealth Ct. 526, 543 A.2d 1282 (1988); Pennsylvania Municipalities Planning Code ("MPC") §910.2.

2. In determining whether unnecessary hardship has been established, zoning hearing boards should examine whether the variance sought is use or dimensional. To justify the grant of a dimensional variance, zoning hearing boards may consider multiple factors, including the economic detriment to the applicant if the variance was denied, the financial hardship created by any work necessary to bring the building into strict compliance with the zoning requirements and the characteristics of the surrounding neighborhood. Hertzberg v. Zoning Board of Adjustment of the City of Pittsburgh, 721 A.2d 43 (1998); Talkish v. Zoning Hearing Board of Harborcreek Township, 738 A.2d 50 (1999).

3. When seeking a dimensional variance within a permitted use, the owner is asking only for a reasonable adjustment of the

zoning regulations in order to utilize the property in a manner consistent with the applicable regulations, Thus, the grant of a dimensional variance is of lesser moment than the grant of a use variance, since the latter involves a proposal to use the property in a manner that is wholly outside the zoning regulation. Hertzberg v. Zoning Board of Adjustment of the City of Pittsburgh, 721 A.2d 43 (1998).

4. The quantum of proof required to establish unnecessary hardship is lesser when a dimensional variance, as opposed to a use variance, is sought. Hertzberg v. Zoning Board of Adjustment of the City of Pittsburgh, 721 A.2d 43 (1998).

5. Section 804.7 of the Zoning Ordinance provides that the minimum rear yard setback shall be 50 feet.

6. Applicants require a variance from the terms of Section 804.7 of the Zoning Ordinance.

7. The location of the existing dwelling and the irregular shape of the Property warrant the granting of the variance requested.

8. The unnecessary hardship has not been created by the Applicants.

9. Applicants have presented evidence sufficient to establish that unnecessary hardship will result if the variance is not grant-

ed, that the grant of the proposed variance will not be contrary to the public interest, and that the variance requested is the minimum that will afford relief and will represent the least modification of the ordinance.

10. Conditions must be attached to a grant of the variance in this case to preserve and protect the surrounding neighborhood.

III. DECISION

Based upon the foregoing findings of fact and conclusions of law, the Zoning Hearing Board of the Township of East Lampeter hereby grants the application of John Schreibeis and Patricia Schreibeis for a variance from the terms of Section 804.7 of the Zoning Ordinance in order to permit the construction of an addition, as more particularly shown on the Plan, 27 feet from the rear property line. The variance granted herein shall be subject to the following conditions and safeguards which the Board deems necessary to implement the purposes of the Zoning Ordinance and the Pennsylvania Municipalities Planning Code:

1. Applicants shall obtain all approvals and permits required by applicable laws and regulations.

2. Applicants shall at all times comply with and adhere to the evidence presented to the Board at the hearing held on January 9, 2014.

3. Any violation of the conditions contained in this Decision shall be considered a violation of the Zoning Ordinance and shall be subject to the penalties and remedies contained in the Pennsylvania Municipalities Planning Code.

4. The approval granted by this Decision shall expire if Applicants do not obtain a zoning permit within three (3) months from the date this Decision and do not complete construction of the improvements, if any, so authorized and commence the use so authorized within twelve (12) months from the date of the zoning permit.

5. The foregoing Decision shall be binding upon the Applicants and their heirs, personal representatives and assigns.
