

ORDINANCE NO. 334

**AMENDATORY ORDINANCE FOR
ADOPTION OF THE INTERNATIONAL
PROPERTY MAINTENANCE CODE--2015
EDITION**

The Township of East Lampeter previously adopted the 2012 edition of the International Property Maintenance Code ("IPMC") and is authorized to adopt the 2015 edition of the IPMC by reference pursuant to Sections 1517 and 1601 (e) of the Second Class Township Code, which permits the adoption of building and housing regulations and the adoption of nationally recognized codes by reference. By doing so, the Township is authorized to regulate and govern the conditions and maintenance of all property, buildings and structures; to provide the standards for supplied utilities and facilities and other physical things and conditions essential to ensure that structures are safe, sanitary and fit for occupation and use.

The Township, by Ordinance No. 315, enacted on October 5, 2015 and Ordinance No. 320, enacted on February 8, 2016 adopted the International Property Maintenance Code as the property maintenance code of the Township of East Lampeter and provided for a structure for appeals from any decision of the Code Official or from any notice or order issued under the Code. The Board of Supervisors further desires to adopt the 2015 edition of the IPMC and to otherwise restate the adoptive ordinance.

In consideration of the foregoing, the Board of Supervisors of the Township of East Lampeter does ordain as follows:

Section 1. That a certain document, three (3) copies of which are on file in the office of the Township Manager of East Lampeter Township, being marked and designated as the International Property Maintenance Code, 2015 edition, as published by the International Code Council, be and is hereby adopted as the Property Maintenance Code of the Township of East Lampeter, in the Commonwealth of Pennsylvania for regulating and governing the conditions and maintenance of certain property, buildings and structures, as hereinafter described; by providing the standards for supplied utilities and facilities and other physical things and conditions essential to ensure that structures are safe, sanitary and fit for occupation and use; and the condemnation of buildings and structures unfit for human occupancy and use, and the demolition of such existing structures as herein provided; providing for the issuance of permits and collection of fees therefor; and each and all of the regulations, provisions, penalties, conditions and terms of said Property Maintenance Code on file in the office of the Township of East Lampeter are hereby referred to, adopted, and made a part hereof, as if fully set out in this legislation, with the additions, insertions, deletions and changes, if any prescribed in Section 2 of this ordinance. Upon being updated, editions subsequent to the 2015 edition of the International Property Maintenance Code shall automatically and without further action by the Board of Supervisors, be deemed as adopted as the Property Maintenance Code of the Township of East Lampeter.

Inspections shall be ordered as reasonably required by the Code Official where the Code Official has received information or complaints which suggest the possibility of violations of the code.

Section 4. This ordinance is intended to be interpreted and enforced in a manner which is consistent with the Pennsylvania Uniform Construction Code with respect to electrical component exemptions for dwelling units occupied solely by members of recognized religious sects and such member's immediate family and for one room schoolhouses used exclusively by members of such religious sects where such electrical components and systems conflict with such member's religious beliefs.

Section 5.
