**Public Concerns/Comments**

None

**Recreation:**

We have not received any communication from the Baseball Organization. Softball has inquired about field use at Community Park.

**Grounds, Buildings & Trails:**

Conservation District has funds to use and we requested to replace trees at Flory and Community park for chemicals.

**CV Recreation Program:**

The Committee is reviewing rolls from other rec entities for discussion. The Upper Leacock reps will be changing and the CV School Board has appointed a representative to the Committee

**Old Business:**

The Board discussed playground equipment for Flory. Diane would like to see swings added since there are none in the parks currently. She also recommended all inclusive equipment pieces and suggested we ask Clark and High foundation or Rotary to consider donating a piece of this kind of equipment to our parks. Jim suggested a walk through as a Board.

**New Business**

None

**Public Comments**

Brad Kiser inquired about plans for Gibbons especially the Millrace, since the property is for sale. The Township engineers are just beginning their study of the property so the board won't make any decisions until the report is done. There is currently little water running in the millrace but Mr. Nolt, former owner recommended water remain flowing to keep the wood floors from drying out.

**Adjournment**

A motion to adjourn the meeting at 7:28 pm by Mr. Chretien, seconded by Mr. Bare Approved by all.

Respectfully submitted,  
Diane Tyson  
Secretary.
