No report

Grounds, Buildings & Trails:

No incidents to report. Rental reports for the year were distributed. Rentals are still coming in. we are somewhat behind this year despite the rental increase. More residents are renting versus non-residents. Jim stated that someone reported trashed pavilions. Charlie declares this is a regular occurrence. The board discussed developing a deposit for potential clean up. Chris noted that Manheim Township has a carry in, carry out policy that might be considered. The board will continue discussion next meeting.

Regional Rec Plan

The committee has been working on a draft. There is a survey on the Township website and the recent newsletter. The organization is searching for a name as West Earl is still not participating. So "CV" may create some confusion for their residents. The school board may see a peek of the draft in August for their feedback. Next meeting is August 10, 2022.

Old Business:

Charlie presented a preliminary sketch for the playground at Flory. There will be a toddler area, older kid area and a swing area. Potential cost could be about Fifty Thousand dollars, but it could be broken into phases.
