

Directions to view mapping of fire services areas within East Lampeter Township

Click on link below:

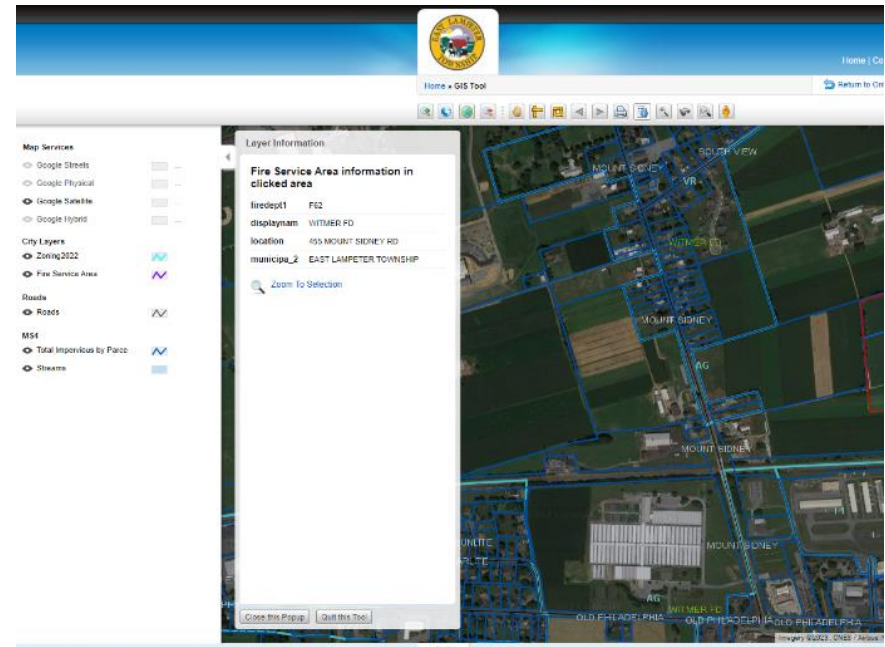

https://app.mygov.us/task/city/knowledge_base/gis.php?cityname=608

Use the magnifying option to zoom in  to the area of interest should you go too far use the zoom out  button. Zoom in until you recognize the location for which you are searching.

Click on the layer information button  and the following list will appear. Choose the Fire Service Area (first one on the list).

Then click on a property.

Another box will appear with the Fire Service Area information indicating the name of the Fire Company and the address of the Fire Company.
