A Message from Ralph Hutchison to the East Lampeter Township Community

I have been very fortunate in my professional life. Without question the highlight for me has been my years as Township Manager in East Lampeter Township. I am truly grateful to the members of the Board of Supervisors that hired me in 1991 and for all of the Board members who allowed me to continue serving for more than 33 years.

East Lampeter is a very special community located in the center of a very special County and this is because of the people that live, work and serve here. For me the best parts of my professional work have been the truly wonderful relationships that I have been able to have with Township officials, Township Volunteers and the best staff of Township employees anyone could ask for. Working together each day to pursue community goals while addressing the everyday challenges of providing vital services has been very fulfilling for me. The successes have far outnumbered the disappointments.

I have also enjoyed getting to know the people who live and work in the Township and to assist them when they are interacting with the Township. I have learned a lot from all of you which I believe has helped me to improve in my work.

No one accomplishes anything alone. I have been a part of many Township related accomplishments none of which would have been possible without the support and contributions of family, friends, Board leadership and Township coworkers. I appreciate all of you.

One of the best feelings in my journey as the first East Lampeter Township Manager has been the process of transitioning from this role into retirement. The community should have every confidence in the completion of this process with Tara Hitchens now in the role of Township Manager and the very capable staff she is now leading. Please continue to support Tara and the entire Township staff as they work to make community improvements and face the challenges of the future.

I depart with a full and grateful heart. Thank you.

— **Ralph Hutchison**, Township Manager, December 1991 to May 2025

New Sewer and Stormwater Payment Address

Sewer and stormwater fee payment instructions have changed; the mailing address for these payments and payment stubs have been updated to:

PO Box 4098, Lancaster, PA 17604-4098

Please carefully review the remittance information included on your bill and make sure that you are sending your payment to the correct location. If you use a bill payment service through your own bank, please be sure to make the appropriate changes with your bank so that payment is being sent to the correct remittance address. We apologize for this inconvenience and appreciate your attention to this change.

Street Light Billing Changes

For all street lighting in the Township, our electric utility, PPL, charges the Township for this street lighting service. If you have street lighting along the street(s) bordering your property, the Township charges a fee for this service. Not all streets in the Township are provided with street lighting service. These fees are charged to all property owners on streets where this service is provided, and is not limited to those properties where the actual lighting fixtures are located. The fee schedule established for this service determines the fee amount for each property based upon the type of fixture and the amount of "frontage" of the property along the street(s) where service is provided. Frontage is determined by the length of each property along each street from property line to property line. Please note that PPL charges the Township

based upon the type and number of each fixture. It is not a metered service. Therefore, even if a fixture is not working, the Township is still being charged. If you notice that a fixture is not working, please report this to the Township office.

In years prior to 2025, this fee was billed on an annual basis at the beginning of each year, typically in February. We will now be including this fee on the same quarterly bill form issued for sanitary sewer and stormwater fees. For 2025 only, this fee amount will be evenly split between the quarterly bill issued at the beginning of July and the quarterly bill issued at the beginning of October. Beginning in 2026, the fee amount will be split evenly among the usual four quarterly billings issued, which include charges for sanitary sewer service and stormwater service.

Employee Spotlight: Steph Leakway

Steph Leakway started working for East Lampeter Township in April of 2019. She is currently the Administrative Assistant for the Public Works Department and helps in other departments when needed. Her depth of knowledge about Township operations means that she is, indeed, often needed and appreciated by other departments! Steph is a graduate of McCaskey High School. She enjoys spending time away from work camping, visiting the beach and spending time with friends and family, especially her husband John and daughters Sydney and Rylee. Thank you, Steph, for your dedication to East Lampeter Township!

New Director of Planning and Zoning Officer: Jacob Bowen

Jacob Bowen is the new Director of Planning and Zoning Officer for East Lampeter Township. He brings experience in planning at both the county and city levels within Pennsylvania and most recently completed a two-year term with the Peace Corps in the nation of Timor-Leste. Jacob holds a bachelor's degree in Community, Environment, and Development from Pennsylvania State University and a Master's Degree in Urban Management and Development from Erasmus University Rotterdam. In his free time, he enjoys traveling and spending time with family. He currently lives in the city of Lancaster with his wife. Jacob is excited to begin his new role with East Lampeter Township and looks forward to supporting the community in planning and managing its future growth.

YOUR VOLUNTEER VOICES

Here is where your local volunteer fire company members will answer questions, provide event dates, offer ways to get involved, and most importantly, reconnect with our communities.

PRESENTING OUR FIREFIGHTERS OF THE YEAR

Want to learn more about your hometown heroes?

Here are four outstanding local residents who come to the aid of their neighbors in their strongest hours of need.

Each Firefighter of the Year is chosen by his or her own Chief. From rookie to seasoned, these firefighters serve East Lampeter Township at the following fire companies: Hand-in-Hand, Ronks, Witmer and Lafayette.

Gary Nissenzone
LIEUTENANT FIREFIGHTER
LAFAYETTE FIRE CO.

Gary has become an integral part of the Lafayette Fire Company team. Often providing his years of operation knowledge to the team but introducing new ideas and tackling new challenges faced by the Company. Gary shows a commitment to running dayside (7am-7pm) calls, a timeframe where many of our volunteers are away at work. Gary has participated heavily in the Conestoga Valley High School Internship, a program that teaches high school aged students the skills and complexities of being a fire fighter. Gary continues to show the core values of Lafayette Fire Company through Loyalty to his fellow firefighters by responding to 100s of calls in 2024. Faith in each of his brothers and sisters to do their job on the fireground and get the job done. Charity as Gary has given countless hours to Lafayette Fire Company through responding to fire calls to being part of the chicken team during our annual BBQ. Gary was given the rank of Lieutenant for the 2025 year and has joined the Line Officers in helping ensure that East Lampeter Township receives the best services possible.

Leon Fisher Jr.
INTERIOR FIREFIGHTER
HAND-IN-HAND FIRE CO.

Hello fellow ELT community members! My name is Don Boyer, Chief of the Hand-In-Hand Fire Co. It is my pleasure to announce our Firefighter of the Year for 2024. This award is voted on by the over 60 active members of the department for over 30 years. The department votes for a peer who demonstrates the core values of the Hand-In-Hand Fire Company; trust, stability, and integrity. At our annual banquet this January we presented the Firefighter of the Year award to Leon Fisher, Jr. Leon joined the fire company in 2022 as a Junior Firefighter, when he took a job with a local business.

In his short time at Hand-In-Hand Leon focused on becoming an interior firefighter when he turned 18. He spent over 200 hours completing the training to make sure he can safely & confidently serve the East Lampeter Township community, as well as the surrounding areas. Whenever Leon is at the firehouse, he can be seen helping wherever needed and always with a smile on his face.

Leon displays one of our core values, Integrity, at all times. He is always willing to work along the side of his fellow firefighters and junior firefighters, passing on his knowledge. From his time with Ronks Fire Co, Leon has trained in vehicle rescue and has led several projects at Hand-In-Hand Fire Company to increase our capabilities to provide better and more efficient response to MVA's in our area.

Dereck Gerlitzki FIREFIGHTER

WITMER FIRE PROTECTIVE
ASSOCIATION

Throughout the year, Dereck has shown remarkable leadership, bravery, and professionalism both in the field and behind the scenes. Whether responding to emergencies, training fellow firefighters, or participating in community outreach programs, Dereck has consistently gone above and beyond in their duties. We are thankful for constant dedication to Witmer and our community.

RONKS MEMBERSHIP

RONKS FIRE CO

Ronks Membership joined to help all neighbors out on the worst day of their life. All Ronks Members offered countless hours of their time responding to fire calls, maintaining station readiness and interacting with our local community.

We appreciate all local support over the last year and hope to see many new faces and continued support this year.

We look forward to what 2025 may bring and are honored to serve the East Lampeter Township Community
