Robert Hayward, Jr

## Welcome to the Board of Supervisors, Robert Hayward, Jr

Robert B. Hayward, Jr. was born in Scotland and grew up in Chicago, Buffalo, and Ardmore before moving to Lancaster County with his wife, Barbara, forty-three years ago. He graduated from the Nichols School in Buffalo and received a degree in Economics from Lafayette College. Robert and Barbara have five children, all born in Lancaster County; four children-in-law; and eight grandchildren. He has lived in East Lampeter Township for the past twenty-two years and has been the President and CEO of the Quarryville Presbyterian

Retirement Community for twenty-one years. Robert formerly served on the local boards of the youth ministry of Young Life and the Historic Preservation Trust of Lancaster. Robert currently serves as a member of the board of the Pennsylvania Family Institute, the Lancaster Bible College, the Quarryville Presbyterian Retirement Community, and on the Advisory Board of Covenant Theological Seminary. He is also a member of the Adirondack 46ers, having climbed all 46 peaks over 4000 feet in the Adirondack Mountains. Robert is still an avid reader and book collector, though he has now “retired” from his former activities involving whitewater kayaking and climbing trees with a chainsaw. When asked why he was running for election as an East Lampeter Township Supervisor, he shared that he “wants to serve: to give back to the community, which has meant so much to our family.”

## Please join us in welcoming Officer Noah Klemm to the East Lampeter Township Police Department!

Noah Klemm

Officer Klemm grew up in Leesburg, Virginia, and brings approximately four years of law enforcement experience from the Wilmington Police Department in Wilmington, North Carolina. He and his wife recently moved to the area to be closer to family—his wife grew up in Lancaster and still has many relatives here—while his parents remain in Northern Virginia.

Officer Klemm is excited to meet the citizens who call East Lampeter Township and Upper Leacock Township home and looks forward to lending a helping hand during times of need. He enjoys policing because it allows him to meet new people every day, build connections within the community, and serve others with the freedom and trust entrusted to him during their hardest moments.

Officer Klemm was officially hired on December 15, 2025. He is married to his beautiful, caring, and supportive wife, and while they do not have children yet, they enjoy staying active together. In his free time, Officer Klemm enjoys running, walking with his wife and their dog, golfing, and watching sports.

Officer Klemm is assigned to the Second Platoon. Welcome to the team, Officer Klemm—we’re proud to have you serving our community!

## Public Works Spotlight: Meet Matt Gregg

We're excited to shine the spotlight on Matt Gregg, a valued member of our Public Works Department team since April 11, 2022. Matt is a 2008 graduate of Lampeter-Strasburg High School. That same year, he also completed the Outdoor Power Equipment program at the Lancaster County Career and Technology Center. Outside of his work with the department, Matt is engaged to his fiancée and is the father of two beautiful daughters. Matt also gives his time to keep our community safe as a volunteer firefighter with the Lampeter Fire Company. Thank you for all that you do, Matt!

## East Lampeter Township Police Foundation

Progress is in the air at the East Lampeter Township Police Foundation! To keep our local officers equipped and our community safe, we are launching a new mailing campaign to fund essential training and equipment.

From greeting neighbors at National Night Out to enjoying the Conestoga Valley Bonfire and our dog walk at Tanger Outlets, we loved connecting with you last year. Your continued support makes these moments possible. We will be hosting a dog walk fundraiser at Tanger Outlets again this year on May 30, 2026. Keep an eye on our website and Facebook page for more information.

■ Visit our website at: [www.eastlampeterpolicefoundation.org](http://www.eastlampeterpolicefoundation.org)

Watch your mailbox for details on how you can contribute and help make a positive impact on our community. Your support is greatly appreciated and will make a meaningful difference. Because the foundation is 501(C)(3), a charitable non-profit organization, your donation is tax deductible.

## Payment Processing Notice

Beginning July 1, 2026, any in-person payments made at the East Lampeter Township building after 3:30 p.m. will be credited to your account on the next business day.

Residents are encouraged to plan accordingly to ensure in-person payments are credited on the same day or to use our available online payment options.

## Garage and Yard Sale Reminders

Garage and yard sales are permitted in East Lampeter Township, when the following rules are followed:

- Within any zoning district, the landowner or occupant of a residential lot may conduct up to two garage/yard sales per calendar year.
- No garage/yard sale shall be conducted for a period of longer than 3 consecutive days.
- Garage/yard sales allow personal possessions for sale, but not inventory importing or stocking, nor commercial merchandise.
- Only one six (6) square foot sign is permitted to advertise the garage/yard sale. The sign must be located on the property where the sale is taking place, and no Sign Permit is required for a garage/yard sign.
- No garage/yard sale is permitted to be conducted within the right of way of any street.
- Garage/yard sales exceeding the provisions or parameters shall be considered a commercial business.

### Mowed Grass Clippings and Leaves Caution

Many people enjoy the look of a lawn that is neatly mowed but do not realize the dangers they create for motorcycles, bicycles, scooters, and other vehicles. When grass and leaves wind up on road surfaces, it can result in slippery conditions and contribute to water pollution. Grass clippings are approximately 85% water, which adds to the risk in wet or dry conditions. Please blow grass and leaves into your yard and away from the street when mowing. Grass clippings and leaves should also be cleared from the tops of storm drain grates so the rainwater can enter and prevent flooding. Grass clippings are rich with nutrients that should be kept out of waterways and stormwater management systems. Mulching grass can provide free nitrogen fertilizer for lawn growth. The organic matter from the clippings enhances soil health and reduces stormwater runoff. The eco-friendliest way to deal with leaves is to mulch them with a mower and leave them on your yard to biodegrade into the soil. You can compost leaves, dispose of leaves through your waste hauler, or take them to a compost park if you want to get rid of them. Please do not blow or dump them in or on streets, sidewalks, storm drains, or creeks. Thank you for doing your part to keep our streets and streams safe and clean.

**YOUR VOLUNTEER VOICES**

Here is where your local volunteer fire company members will answer questions, provide event dates, offer ways to get involved, and most importantly, reconnect with our communities.

**PRESENTING OUR FIREFIGHTERS OF THE YEAR**

**YOUR VOLUNTEER HEROS**

*Celebrating East Lampeter Township's Volunteer Firefighters*

East Lampeter Township is served by four volunteer fire companies whose members dedicate countless hours responding to emergencies, training, and supporting the community. Each year the companies recognize individuals who go above and beyond in service.

Please join us in congratulating the 2025 Firefighters of the Year and Volunteer of the Year.

**CHRIST PETERSHEIM**  
HAND-IN-HAND FIRE CO.  
**FIREFIGHTER OF THE YEAR**

Christ Petersheim has been selected as the 2025 Firefighter of the Year in recognition of his dedication and commitment to the Hand-in-Hand Fire Company.

Christ began his service with the company as a Junior Firefighter and became an Interior Firefighter at the age of 18. Since then, he has consistently demonstrated a strong commitment to training, responding to emergency calls, and supporting the work of the department.

Over the years, Christ has developed valuable experience and has become a reliable member of the team, often assisting with training and helping guide newer firefighters. His positive attitude, strong work ethic, and willingness to serve make him an important part of the company.

Christ has been appointed Lieutenant 41-3 for 2026.

**SHELBY GUINARD**  
LAFAYETTE FIRE CO.  
**FIREFIGHTER OF THE YEAR**

Lafayette Fire Company's 2025 Firefighter of the Year is Rookie Firefighter Shelby Guinard.

Since applying to volunteer in March of last year, Shelby has approached training and station duties with determination and enthusiasm. Despite being one of the newest members of the department, she quickly set the standard for what it means to serve at Lafayette.

Shelby responds to calls, assists with outreach events such as the East Lampeter Summer Playground program, and helps manage the Social Hall Rental program that raises valuable funds for the company.

Originally from Massachusetts, Shelby is a graduate of Lebanon Valley College and now teaches in the Columbia School District. She also serves on the Conestoga Valley High School Women's Lacrosse coaching staff. We are grateful for Shelby's dedication and the contributions she makes to Lafayette and the East Lampeter Township community.

**STEVEN STOLTZFUS**  
WITMER FIRE PROTECTIVE  
FIREFIGHTER OF THE YEAR

Witmer Fire Protective Association's 2025 Firefighter of the Year is Steven Stoltzfus.

Steven joined Witmer in December of 2024, following in the footsteps of his father and two brothers who are also active firefighters with the company.

Since joining the company, Steven has brought a positive attitude and a strong willingness to train. He sets a great example of what every volunteer firefighter should strive to be.

**CARL GEHMAN**  
RONKS FIRE COMPANY  
VOLUNTEER OF THE YEAR

Ronks Fire Company's 2025 Volunteer of the Year is Carl Gehman. Carl is a 36-year member of the fire company and has served in many roles over the years. He has worked as a fire police officer, co-chaired the Chicken Corn Soup fundraiser, and served as Treasurer of the fire company for more than 10 years. He currently serves as Assistant Treasurer of the fire company and Treasurer of the Firemen's Relief Association.

Carl recently retired after 31 years as a long-time employee of Kitchen Kettle, but he continues to work part time, sharing his knowledge and experience with others.

IF YOU HAVE QUESTIONS ABOUT THIS INFORMATION, OR ARE INTERESTED IN VOLUNTEERING, PLEASE CONTACT ONE OF THE FIRE COMPANIES LISTED BELOW.
