Life Saving Award for Officer Nick Zollner

On Tuesday 6/30/2026 at an East Lampeter Township Board Meeting, Officer Nick Zollner was presented with a Life Saving Award. On Tuesday, 6/2/26 at 2:56 p.m., Officer Zollner responded to a cardiac arrest, at the intersection of Strasburg Pike and Lincoln Highway East. Upon arrival, Officer Zollner observed an unconscious male, whom he later identified as 46-year-old Matthew Scott Brandt, lying in the roadway, next to his work truck. Officer Zollner quickly utilized an AED, which immediately assessed and delivered a shock. Shortly after, EMS personnel were able to take over continued lifesaving measures, until such time that Mr.

Brandt could be transported to the hospital. Mr. Brandt survived the heart attack and after several days in the hospital, was able to return home to the care of his family.

The East Lampeter Township Police Department wishes to recognize Officer Nicholas Zollner for the lifesaving actions he provided to Mr. Matthew Brandt on June 2nd, 2026. Thank You, Officer Zollner!

21 Years of Lancaster County's DUI Top Guns Award for Officer Sam Sanger

On August 17, 2026, East Lampeter Township Police Department recognized Officer Sam Sanger during a Board of Supervisors meeting. Officer Sanger was honored as one of Lancaster County's 2026 DUI Top Guns this year and was presented with a plaque by Chief Zerbe. Officer Sanger has received this award for 21 consecutive years, showing his untiring dedication and proactive commitment to helping keep our community safe. Well done, Officer Sanger!

Arlene Clark Family Pavilion Completed at Lafayette-Tower Park

East Lampeter Township is pleased to announce the completion of the Arlene Clark Family Pavilion at Lafayette-Tower Park, a new community space designed to support gatherings, celebrations, and outdoor recreation. Located at 1905 Woodland Avenue, Lancaster, PA 17602, visitors can access the parking lot from Krystle Drive. The park and pavilion sit just behind the Lafayette Fire Company building, south of Lincoln Highway (Route 462). The pavilion features 12 wooden picnic tables and restrooms and will be available for event rentals in 2027, accommodating groups of up to 80 people.

This project was an amazing Public-Private Partnership between Calumet Enterprises LLC and East Lampeter Township. The Township extends its gratitude for this support, which made the new community gathering space possible.

What to Expect this Winter

As winter weather approaches, our Public Works team is ready to keep your streets safe and accessible. Here's what you can expect during snow events and how you can help the process run smoothly.

Our Snow Removal Process

When snow begins to fall, you'll see our plows make multiple passes through your neighborhood. Each street receives at least two full passes in both directions. The first pass clears a travel lane, while the second pass pushes snow back from curb to curb (or from edge to edge on roads without curbs). This two-step approach creates maximum road width and leaves room for snow storage if additional storms follow.

Timing Your Driveway Cleanup

Wait to shovel your driveway until after the street has been fully plowed curb to curb. This simple step will save you from having to clear your driveway twice. Our plows will inevitably push some snow back into driveway entrances during the final pass, so patience here pays off.

Help Us Help You

Move vehicles into driveways or off-street parking during snow events. Cars parked on the street prevent our crews from pushing snow back to the curb line, reducing the available travel width and limiting our ability to handle future storms effectively.

Don't Burn Your Yard Waste

It's Against the Law Fall cleanup season is here! Before you start that leaf pile, remember: burning leaves and yard waste is illegal in East Lampeter Township. You could face a citation. To report burning violations, call East Lampeter Township Police at 717-291-4676.

Where to Take Your Yard Waste

■ **Option 1:** Your Trash Hauler Contact your regular trash company—they're required to pick up yard waste. Most provide special tags or bags for a small fee.

■ **Option 2:** Manheim Township Compost Park. East Lampeter Township residents can buy a \$5 access card (with proof of residency) at the East Lampeter Township building. Find location, hours, and rules at www.manheimtownship.org/1009/Compost-Park

■ **Option 3:** West Earl Township Yard Waste Facility. Access cards available only at the West Earl Township office. Find location, hours, and rules at www.westearltwp.org/about/pages/yard-waste-compost-facility

We Are Proud of You, Joel!

East Lampeter Township proudly honors the dedicated service of Public Works Staff Member Joel Herr as he prepares for deployment. We are grateful for his commitment both at home and abroad, and we extend our deepest support and well-wishes for his safe return.

CHARGE INTO FIRE SAFETY

Safe Charging Is a Superpower

October 4-10, 2026

1

CHOOSE TESTED PRODUCTS

Look for a certification mark from a nationally recognized testing laboratory, such as UL, ETL, or CSA.

2

USE THE RIGHT CHARGER

Use the charger that came with the device or one approved by the manufacturer.

3

CHARGE ON A HARD SURFACE

Keep devices off beds, couches, pillows, and other soft surfaces that can trap heat.

4

UNPLUG WHEN CHARGED

Disconnect the device after it is fully charged. Do not leave it charging longer than needed.

5

KNOW THE WARNING SIGNS

Know the battery signs? Hot, swelling or hissing batteries are dangerous.

6

GIVE LARGE BATTERIES SPACE

Never charge batteries where they block a doorway or escape route.

WHEN THE BATTERY IS DONE, THE JOB ISN'T

Used Batteries Do Not Go in the Trash

Rechargeable and lithium-ion batteries should never go into household trash or curbside recycling. Rechargeable batteries can start fires in trash and recycling equipment. Lancaster County residents may bring batteries and cellphones to LCSWMA's drive-through Household Hazardous Waste Facility.
